... 100 years of tradition**

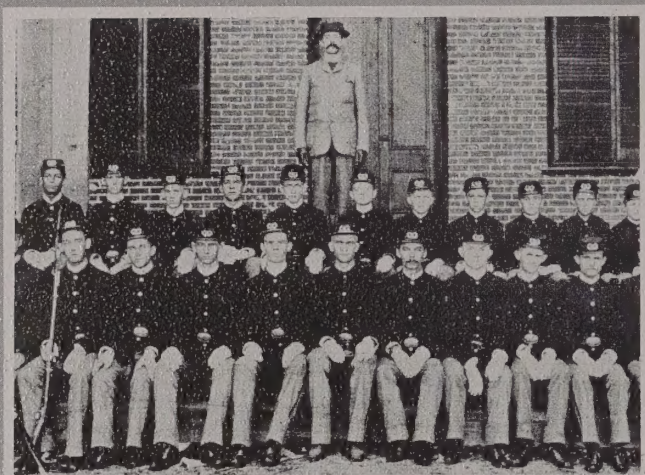

The Tradition Lives On . . .

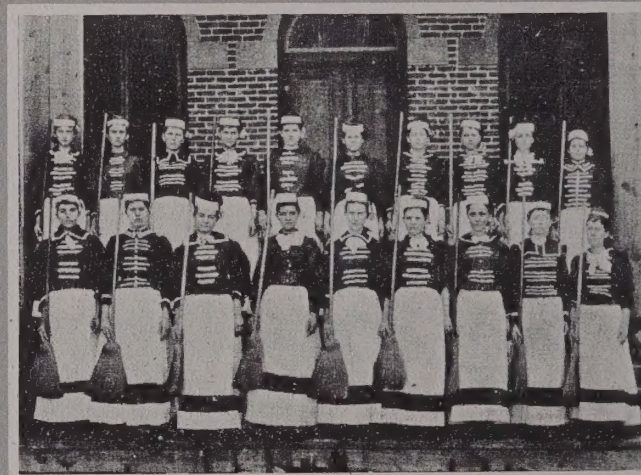

When the doors of *the school on top of the hill* in Cochran opened on January 10, 1887, Palemon J. King was the driving force. He had come to Cochran in 1886 to head the school. From day one, King established the direction of the school and its push for academic excellence.

Dr. Thomas Walker, MD, is considered the *founder of Middle Georgia College*. He served from the very beginning of the Ebenezer Association as a member of the board of trustees and latter as chairman. At his death, he was serving as the chairman of the board of trustees of Middle Georgia College.

The Tradition Lives On

From the day that the college opened as *New Ebenezer College*, academic excellence has been the key word. When the college opened its doors in 1887, it boasted four divisions: 1) *the Preparatory*; 2) *the Collegiate*; 3) *the School of Music*; and 4) *the School of Design*. In addition there were military and commercial departments. Subjects were offered in English literature, mathematics, natural science, moral science, history, languages, art, music, business, home economics, and military science. Some 100 years later, the same basic courses are still being taught at Middle Georgia College. New Ebenezer College is thought to be the first college in America opened with the sole purpose of providing the first two years of a four-year college degree. In 1984, the tradition of academic excellence is still an important MGC standard.

The library in the early 1930's was located in Walker Hall.

Engineering has been a major part of the MGC course of study since the mid-1930's.

Quiet hours and study periods were required as part of dorm life.

Dillard Hall became the home of the math and science department in 1953. A second section was completed in 1967.

Freshman hazing: The duck walk

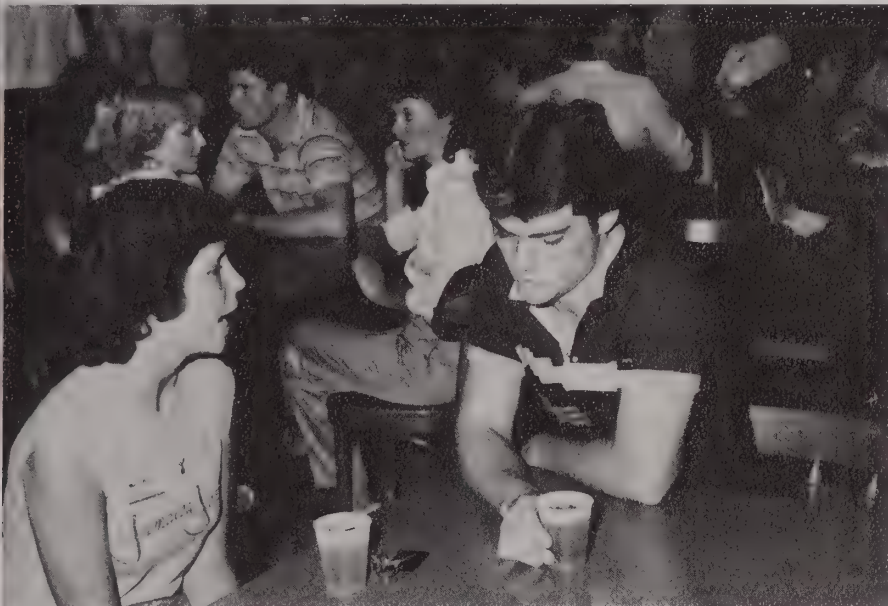

Lives On

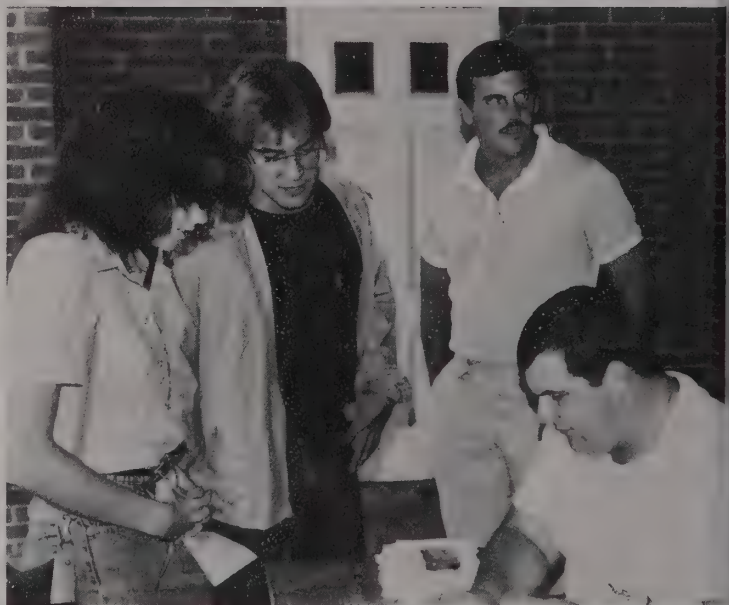

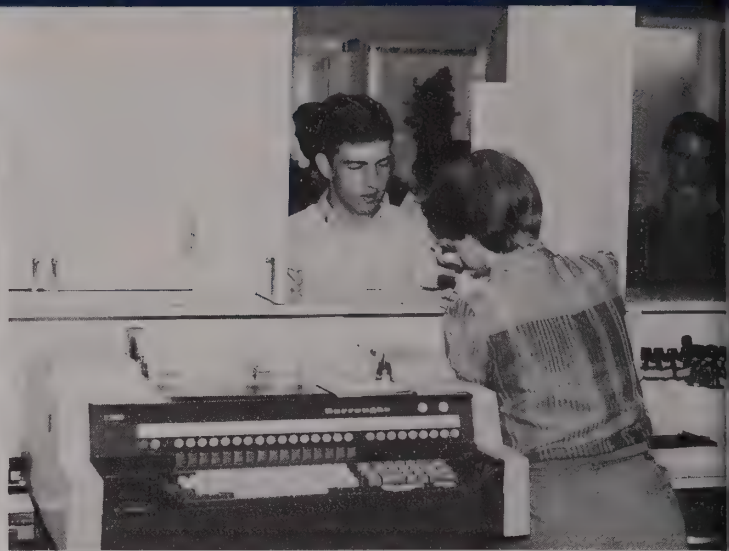

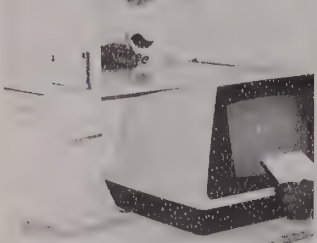

Orientation

Orientation is a great way for new students to get to know Middle Georgia College. New students get the chance to meet the administration and faculty, to register for fall classes, to tour the campus, and to meet other students who will be first-time students with them. At the SGA fall mixer, the students get a chance to meet the faculty informally. Orientation is the ice breaker for the new student.

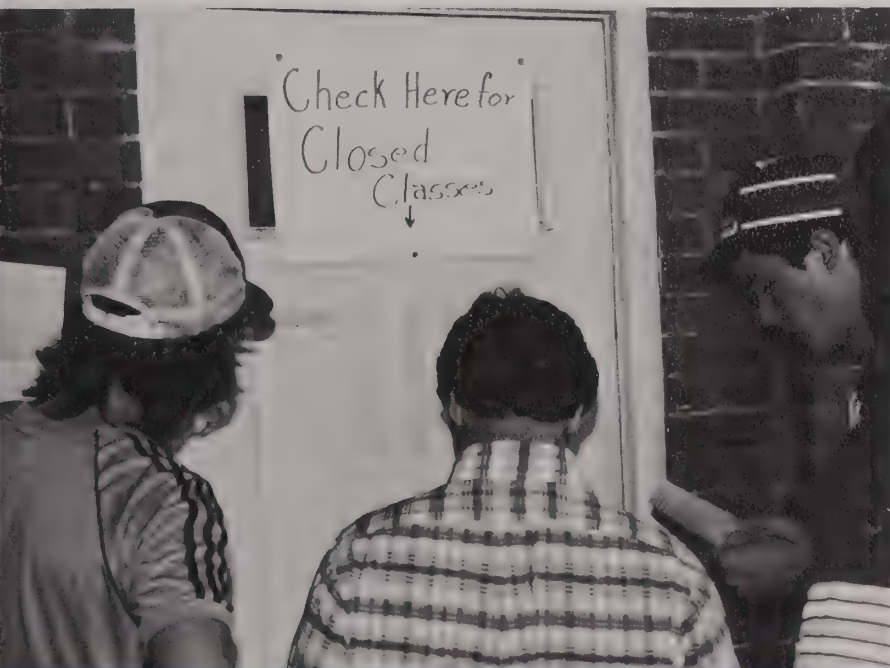

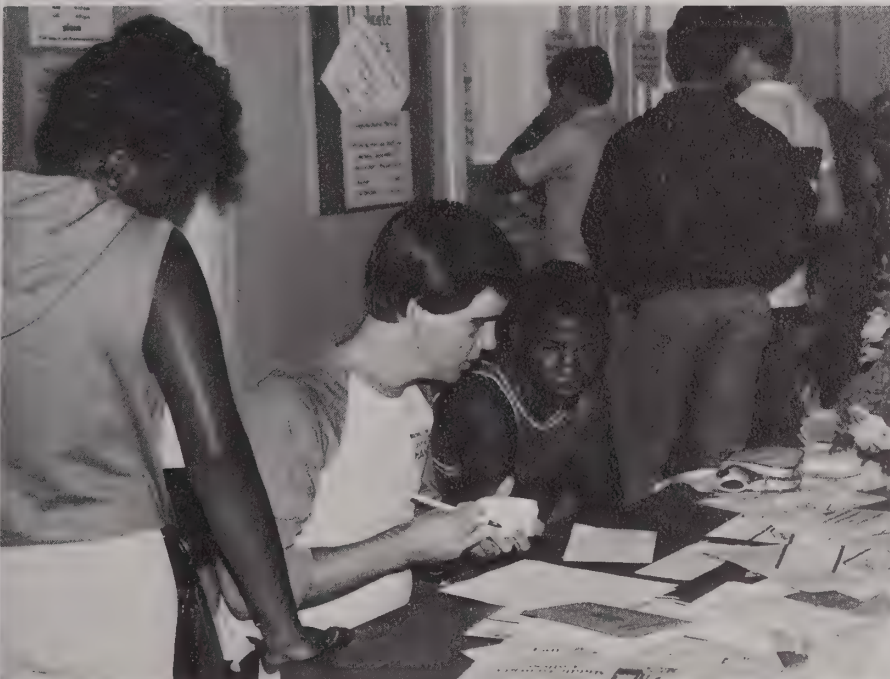

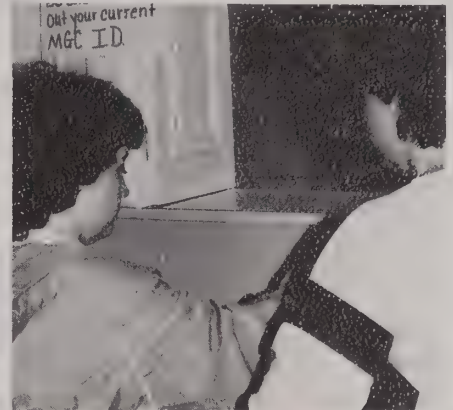

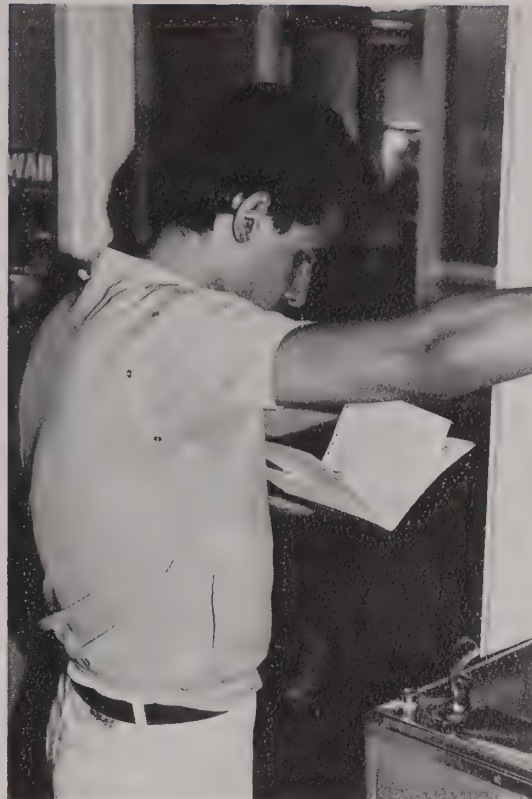

Registration

Registration. It is one of those hassels no one bothered to tell you about. To a freshman, it is a new and trying experience, but to a sophomore, it is just one of those things that must be done! From going to advisors to standing in line after line, to paying fees, to finding a dorm room, registration is a process no one seems to be able to forget.

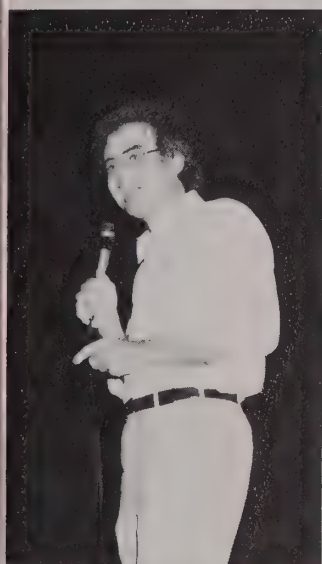

Faculty / Student Reception

Each year the faculty/student reception is held to give students and faculty members an opportunity to meet each other or renew old friendships. The reception is traditionally held at the conclusion of the first week of the fall quarter.

The GIL EAGLES Show

Hypnotist Gil Eagles

As part of orientation, on September 20th, the students at Middle Georgia were entertained by Gil Eagles, the world-famous hypnotist. The "awed" students that attended Eagles' presentation were amazed at his powers over their fellow classmates. Eagles displayed feats of ESP, mind-reading, and hypnotism.

Vocal Ensemble Tours Europe

The Middle Georgia Vocal Ensemble, as *Ambassadors of Goodwill for the State of Georgia*, traveled to Europe for a seven-day trip this past summer. The cities the group toured included London, Oxford Via Eton, and Canterbury. The group visited the London Tower, London Bridge, The Great Hall, and Buckingham Palace. During the tour, the students saw the opera *Evita* and *Fiddler on the Roof*. One of the most exciting aspects of the trip was when MGC's Ensemble sang on the streets at 12:00 midnight and security came and informed the group to leave or they would be arrested.

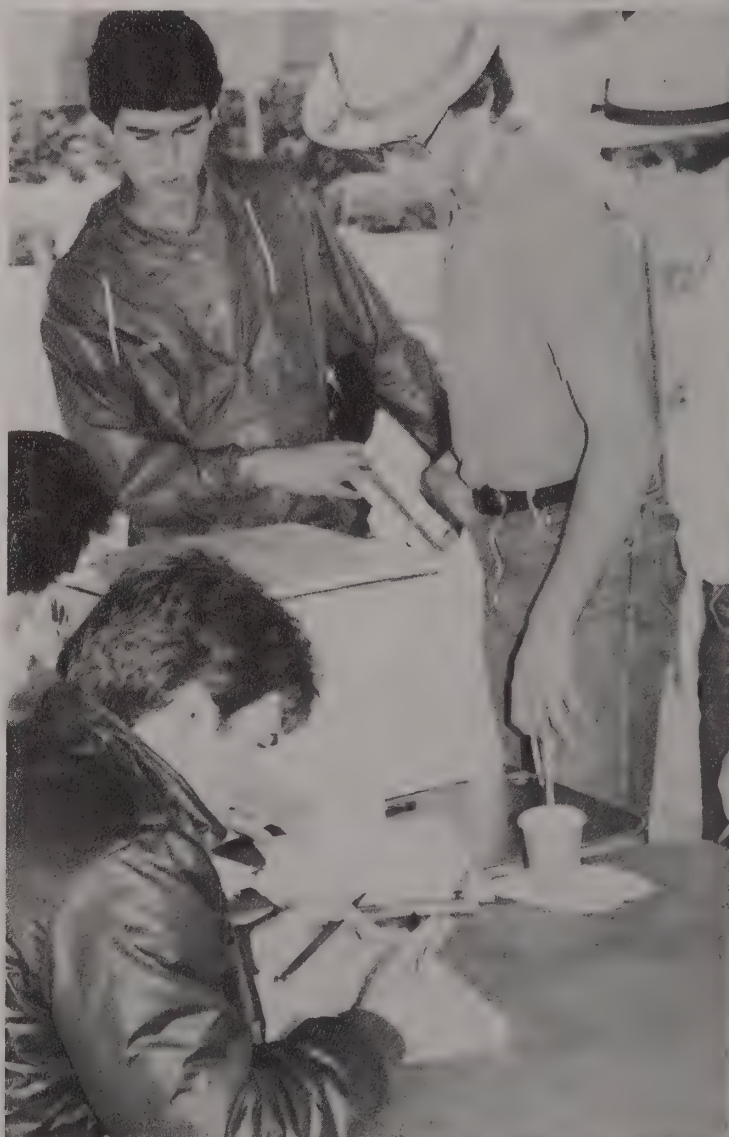

The Tradition Lives On/27

S.G.A. Elections

Each year at the beginning of fall quarter, the students of Middle Georgia College are confronted with the decision of whom to elect as the SGA senators. This year at Middle Georgia proved no different. The senators elected were: Randall Autry, Kellie Biles, Louann Brown, Cindy Bryant, Lisa Campbell, Marie Cooper, David Forrester, Felisha Harris, Jenny Holder, Kerry Keith, Laura King, Joy Kitrell, Tom McCoy, Beth McClary, Teresa Nesbit, Tom Sansom, John Shelhorse, Thomas Shelton, Averil Smith, Billy Ussery, and Mark Walker.

Officers for the year were elected during spring quarter of last year. The students elected to serve as 1983-84 officers are: Lee Jones, President; Mary Ellen Lawson, Vice President; Connie Scott, Secretary; Tracee Mullis, Treasurer.

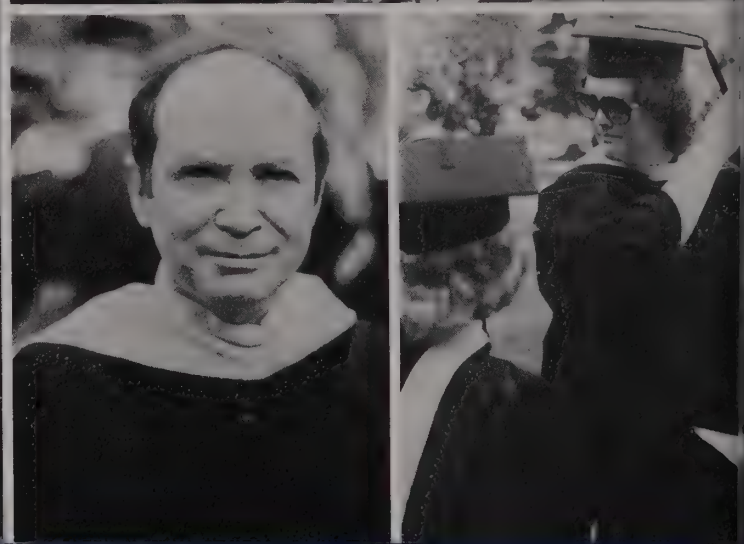

Fall Convocation

Fall convocation is the traditional official opening of the college year. This year's fall convocation celebrated the ninety-ninth anniversary of the founding of New Ebenezer College. Guest speaker for the ceremonies was Peter Llewellyn Gwynn-Jones, Herald of the College of Arms of England. Gwynn-Jones presented Middle Georgia College with its official coat-of-arms. MGC is one of the only colleges in America with an official coat-of-arms.

MGC Opens Dublin Center

After more than 15 years of teaching off-campus courses in Dublin, MGC began a full-time program of courses in Dublin summer quarter.

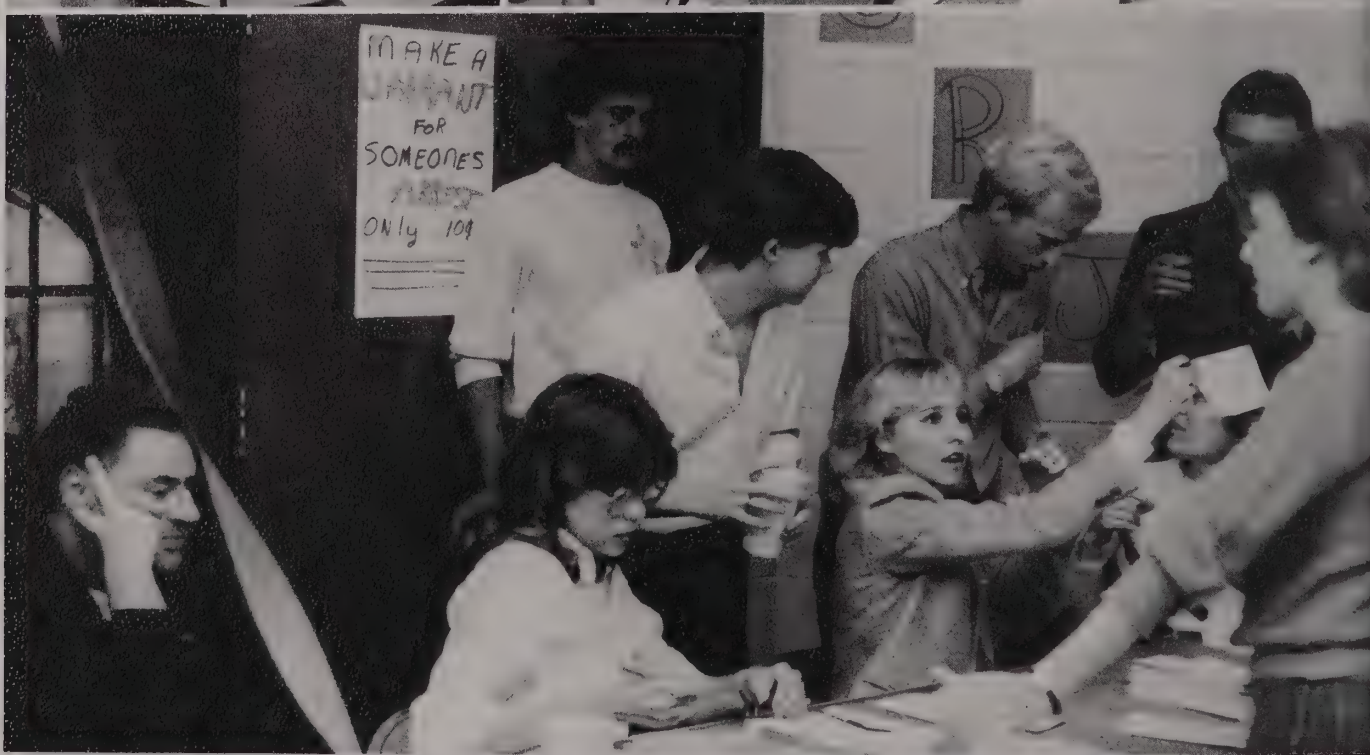

MGC became the institution of record for the University System of Georgia Dublin Center. Georgia College and Emanuel County Junior College will also be offering courses in the Dublin Center.

Initially, the center had over 125 students for the first quarter of operation.

Halloween

Club Carnival

Halloween

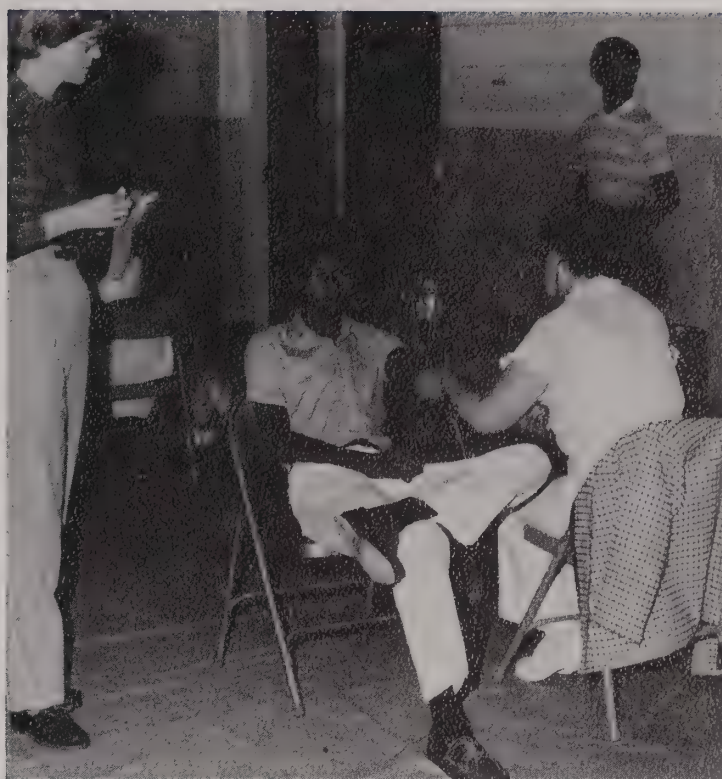

Costume Dance

Fall quarter would not be fall quarter at MGC without the Halloween Carnival and costume dance. The day always proves to be an afternoon and evening full of informal fun for the students. There are many unusual sights to see on this "Night of Frights" at the dance from the "Ladies" of the evening to Jim Mac the Barbarian and his trusty side-kicks. The day's activities are sponsored by the President's Club.

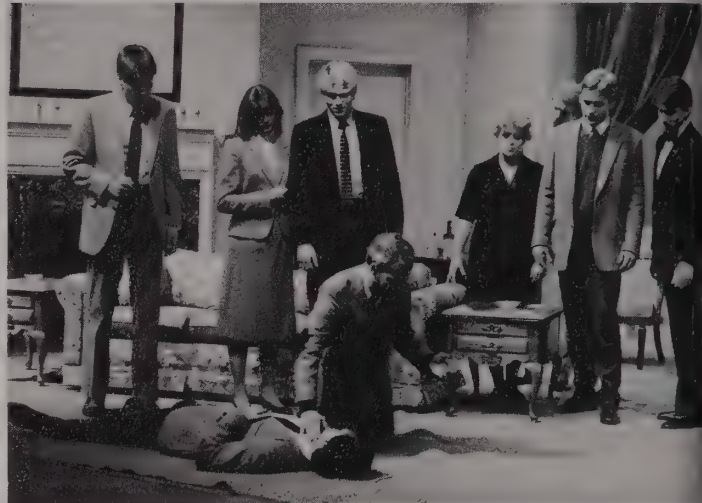

Red Cross Bloodmobile Visits Twice in 83-84

The South Atlantic Chapter of the American Red cross Bloodmobile visited M.G.C. for their two annual visits during fall and spring quarters. During the fall visit, 126 pints were donated. At the spring visit, 114 pints were given. Because of her retirement, the Red Cross recognized Dean Ellen Willham with an award for her participation and support of the program for the past 25 years.

Ten Little Indians

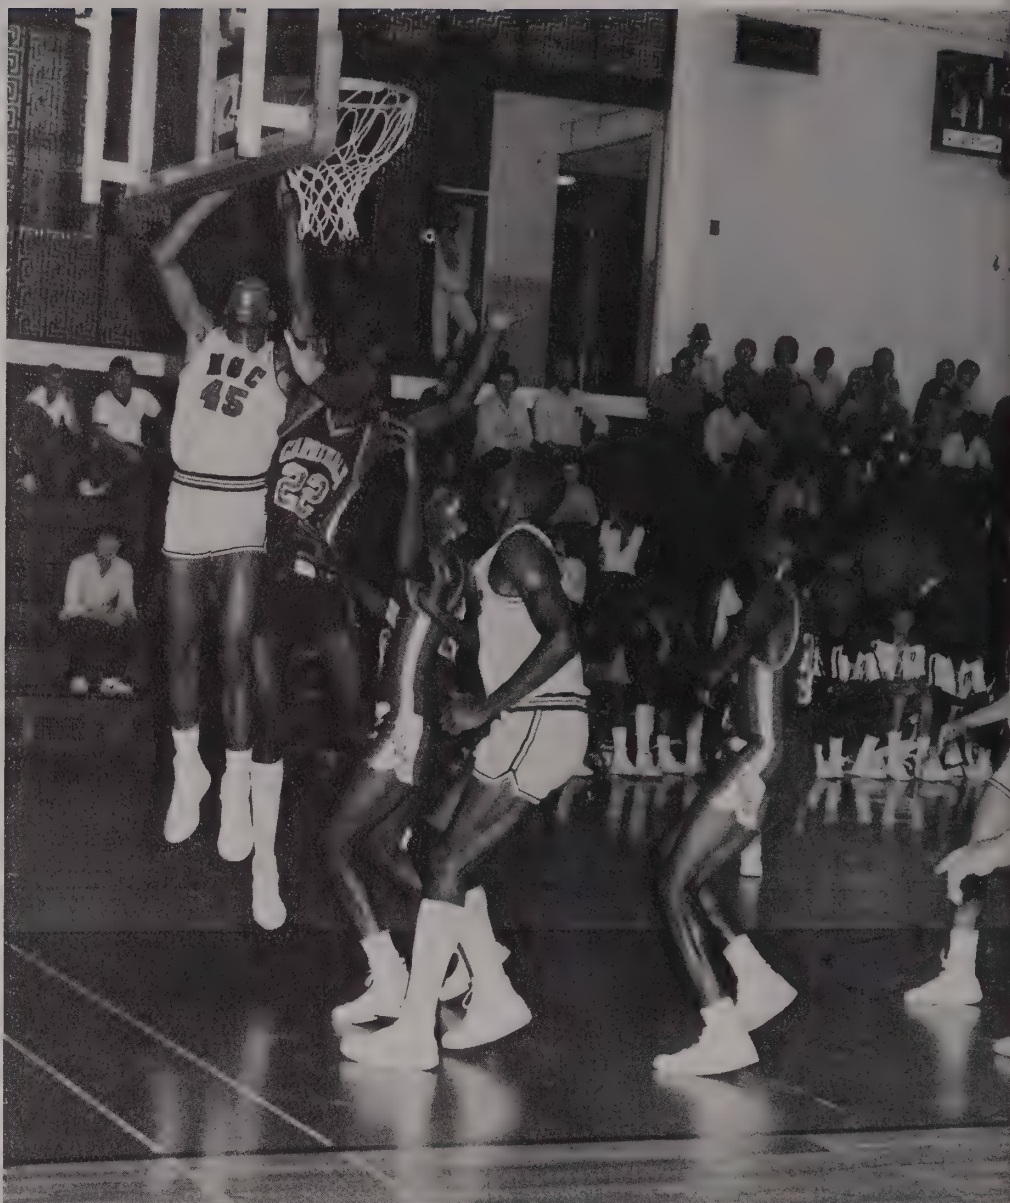

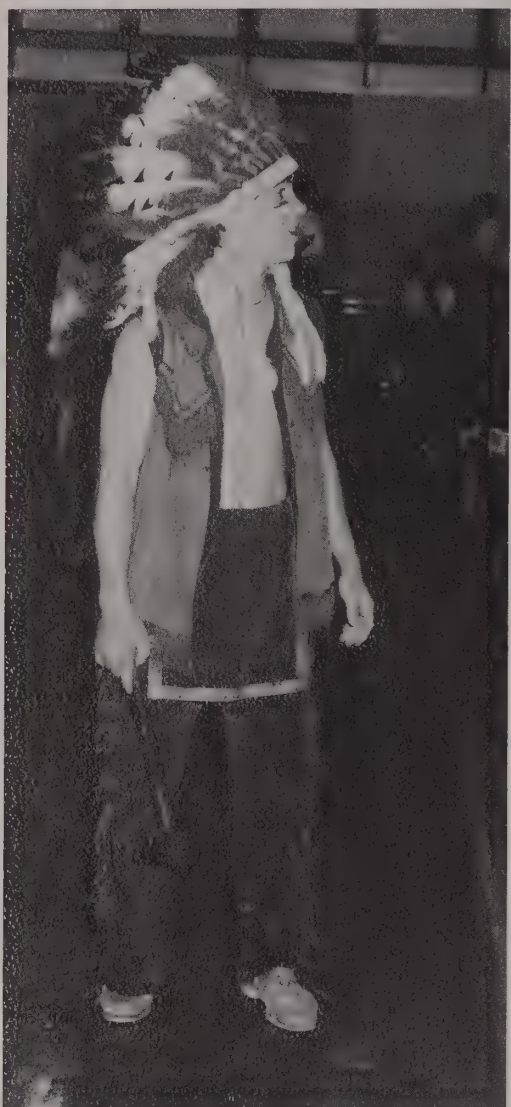

The MGC Players Present..

The murder mystery, *Ten Little Indians*, was the Middle Georgia Players' fall production. The Agatha Christie whodunit dealt with nine victims being invited to Indian Island off the coast of England for an unforgettable weekend. As the play progressed, the guests were mysteriously murdered, and each time another Indian disappeared. All of the murders were predicted by the rhyme, *Ten Little Indians*. John Shelhorse and Cindy Bryant were the leading characters for the production.

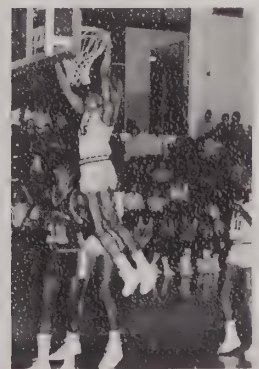

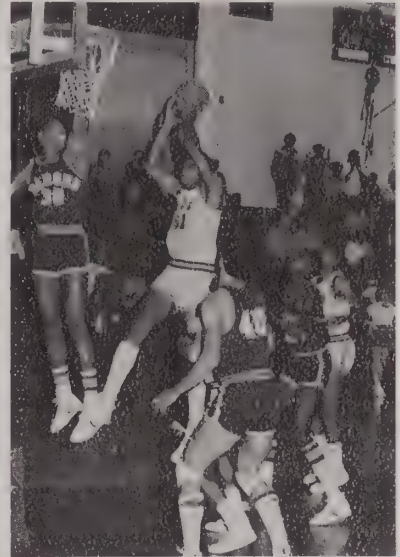

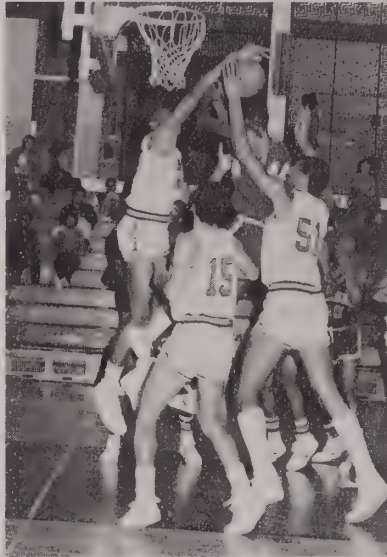

Warriors First In Tip-Off Tourney

The Warriors of Middle Georgia College made easy work of their opponents to take first place in the annual Middle Georgia College Warrior Tip-Off Tourney November 8 and 9.

Middle Georgia defeated Columbia Junior College of South Carolina 69-67 to advance to the finals. Brewton Parker took ABAC 58-50 to send the Stallions into the loser's bracket.

In the consolation game, ABAC defeated Columbia 83-68 for third-place honors. MGC then took Brewton Parker 46-42 for the first-place honors.

Darryl Hill, Ellis Kennedy, and Antwon Daniels were named to the All-tournament team for the Warriors.

Homecoming Parade

Homecoming week would not be complete without the annual Homecoming parade.

Organizations spent most of the week preparing their entries in the annual event. Dorms put on their best faces for the week.

The downtown parade began at the railroad yards and continued through town and on to campus.

Clowns, floats, bands, and beauties were all a part of Homecoming, 1983.

In the best-float competition, Harris Hall took first place honors, Talmadge Hall took second place, and GANS took third place.

In the car division, Rotaract took first place with the Vocal Ensemble placing second. In dorm competition, Harris Hall received first place, and Eastwood Hall took second.

Organizations

The Tradition

- photo from the Roberts Library Special Collections

An early Gamma Beta Phi meeting

Organizations have been on the Middle Georgia College campus almost since the very beginning. The Quintas Stellas organization, the home economics club, has roots as far back as New Ebenezer College with the *Broom Brigade* and the *Waiter Drill*. The ROTC Raiders' forerunners were, of course, part of Ebenezer College's military units. The *Kernel* was first published at MGC in 1930 and has served the campus since. The college has had a yearbook published as *the Hilltopper* since 1945, but other yearbooks under different names have been published throughout the history of the college. Religious organizations have roots as far back as 1928 with the Baptist Young People's Union and the Epworth League. BSU was the first official religious club organized on campus. It was officially recognized in 1965. The MIDGA Players have roots in the Demosthenian and Ciceronian societies which date back to mid-1920. Some type of musical organization - the orchestra or vocal ensemble - has been on campus since the 1930's. The Phi Beta Lambda chapter was the third organized in Georgia and at that time was called a College Chapter of the Future Business Leaders of America. Pep clubs and cheerleaders have been around since the early 1920's. And MGC's two honor societies - Gamma Beta Phi and Phi Theta Kappa - are outgrowths of the MGC Roll of Honor. The MGC chapter of Rotaract was organized in 1969 as the 12th chapter on a college campus.

Black Awareness Month

The Black Students Club at Middle Georgia College celebrated *Black Awareness Month* during February.

As part of the celebration, Curtis Atkinson, *Assistant Secretary of State for the State of Georgia*, spoke to a large crowd of MGC students, faculty, staff, and the general public. Atkinson, the highest ranking black in Georgia State Government, said, "Education is the sum total of all learning experience. Through learning, one must put something into the system before he gets something out."

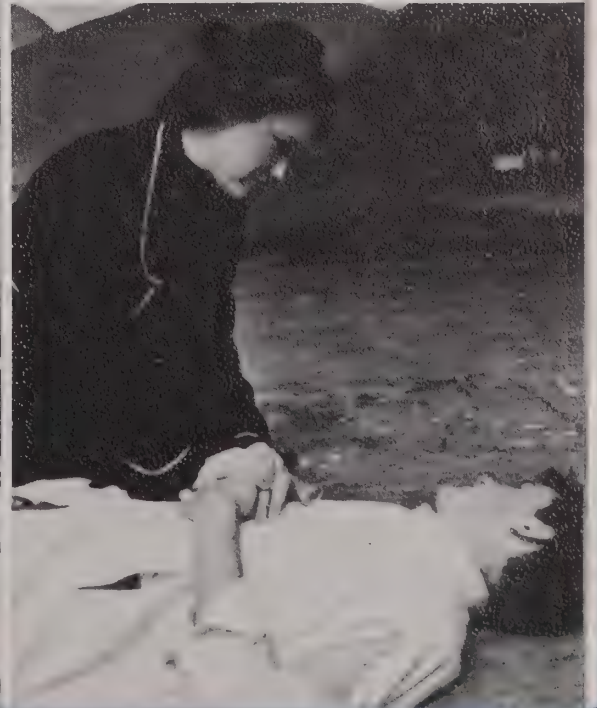

The organization also sponsored two films: *Our Country, Too* and *Black Women*.

Brigadoon

Brigadoon was the Middle Georgia Players' winter musical starring Ronnie Smith and Melissa Davidson. The story involves two lost Americans who stumble into Brigadoon, a mystical Scottish town that wakes up for one day every century. Tommy, an American, and Fiona, a Scottish lass, fall deeply in love, but Tommy must make the choice of remaining in Brigadoon or returning to the outside world. The production was directed by Nelson Capenter. Several of the cast members appeared in the same musical presented ten years ago.

Warriors Finish Season Ranked 3rd in Region 17

MGC's basketball Warriors finished their 1983-84 season in the semi-finals of the NJCAA region 17. For their efforts, they were third in the region.

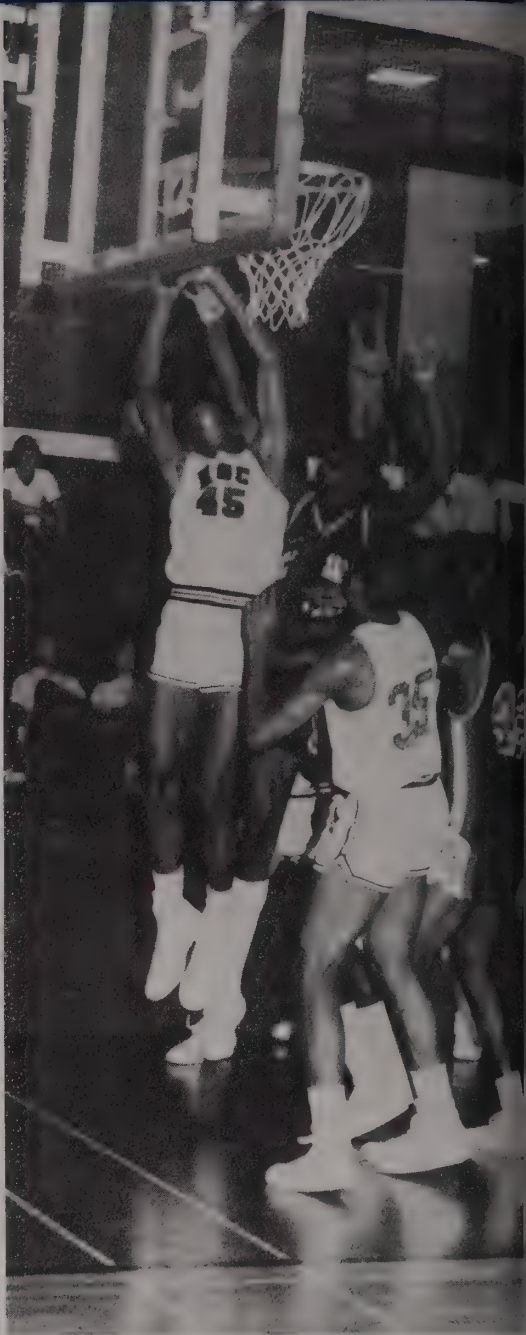

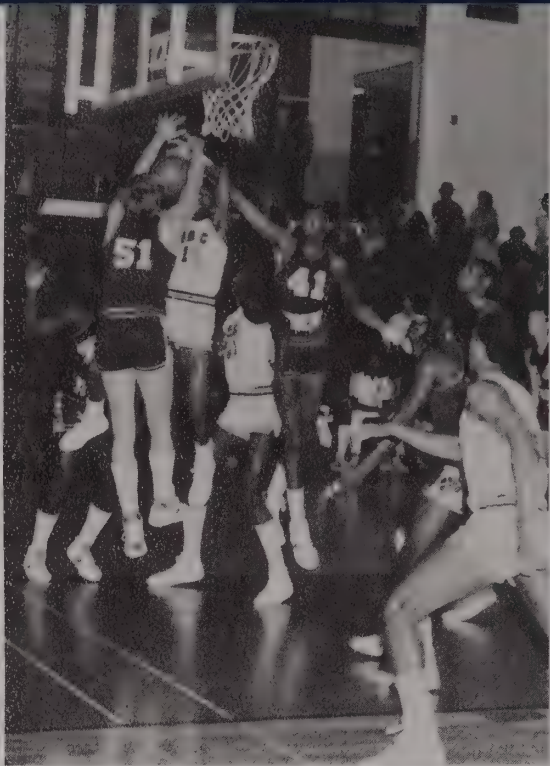

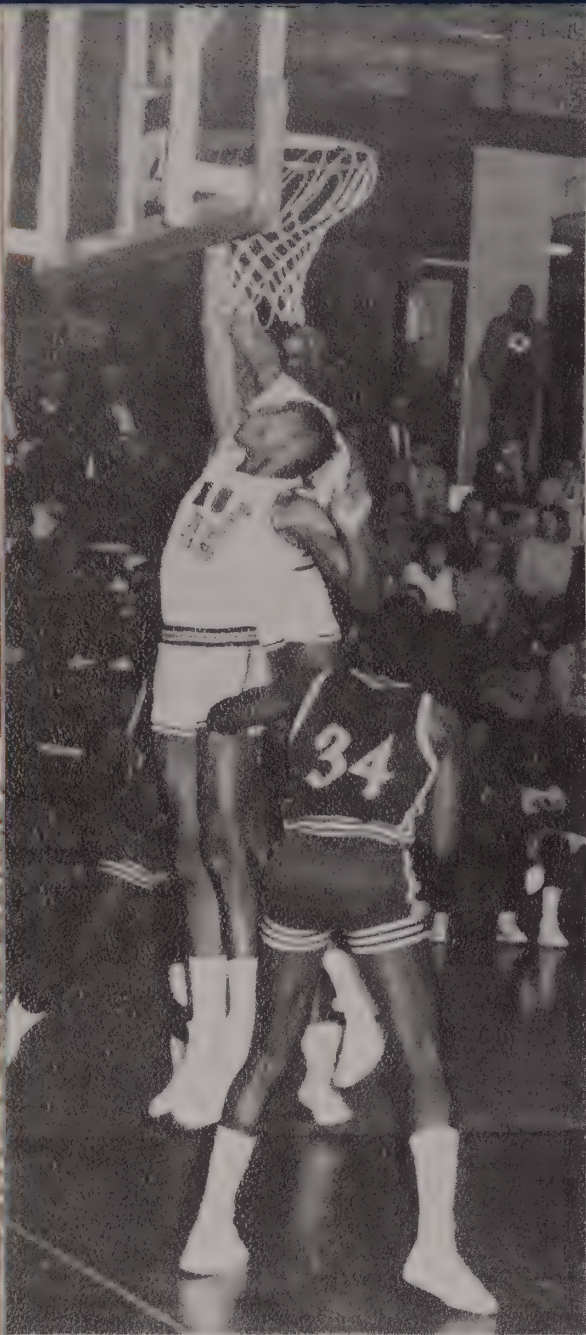

On the regular season, the Warriors were 18-10 for the year. A win and a loss in the tournament brought their record to 19-11 for the year. Their conference record was 10-8 at season's end.

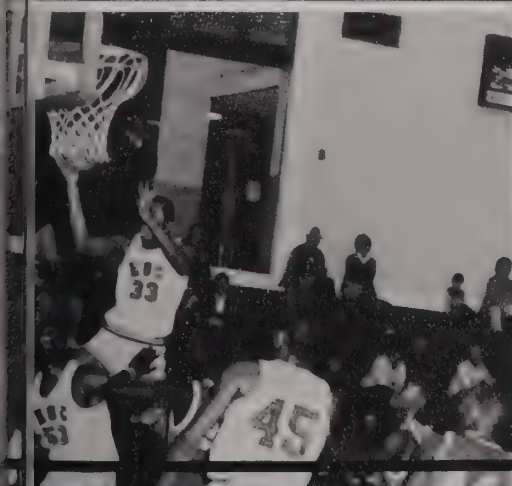

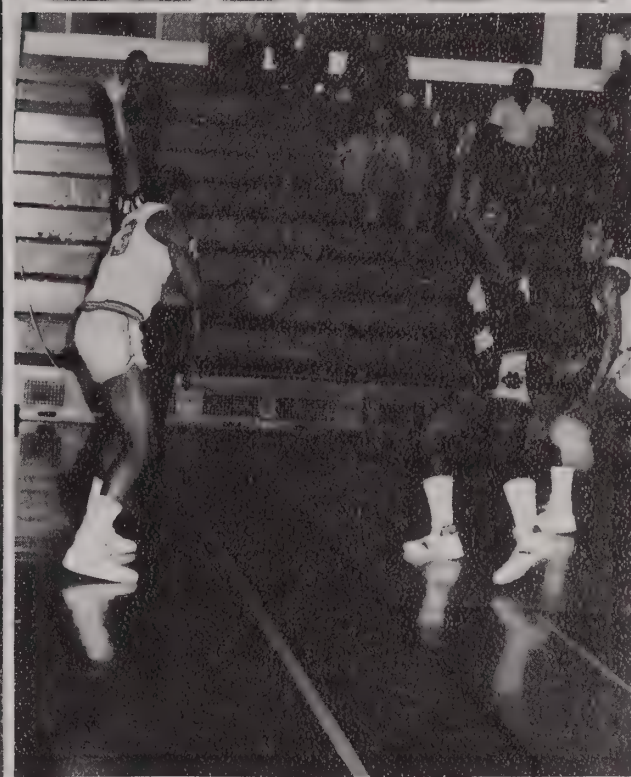

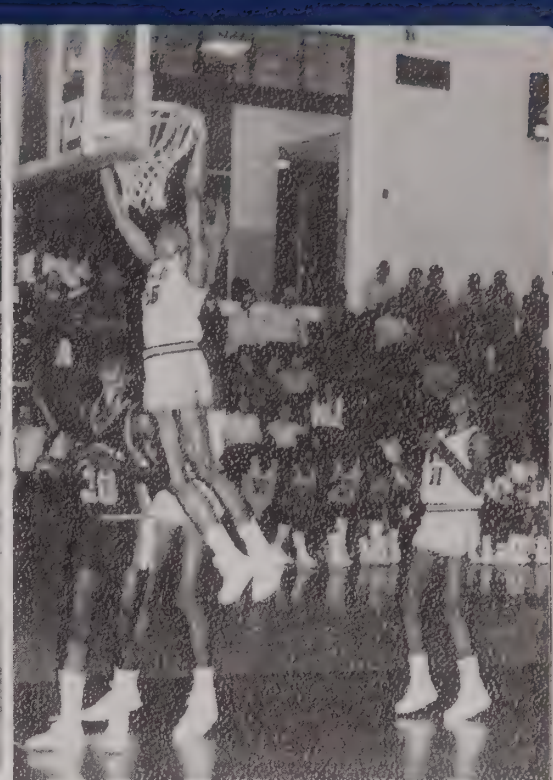

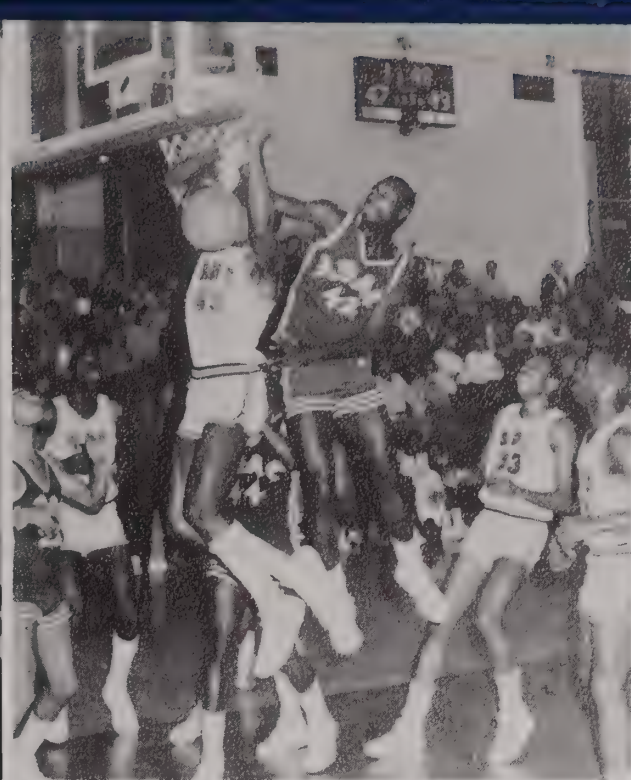

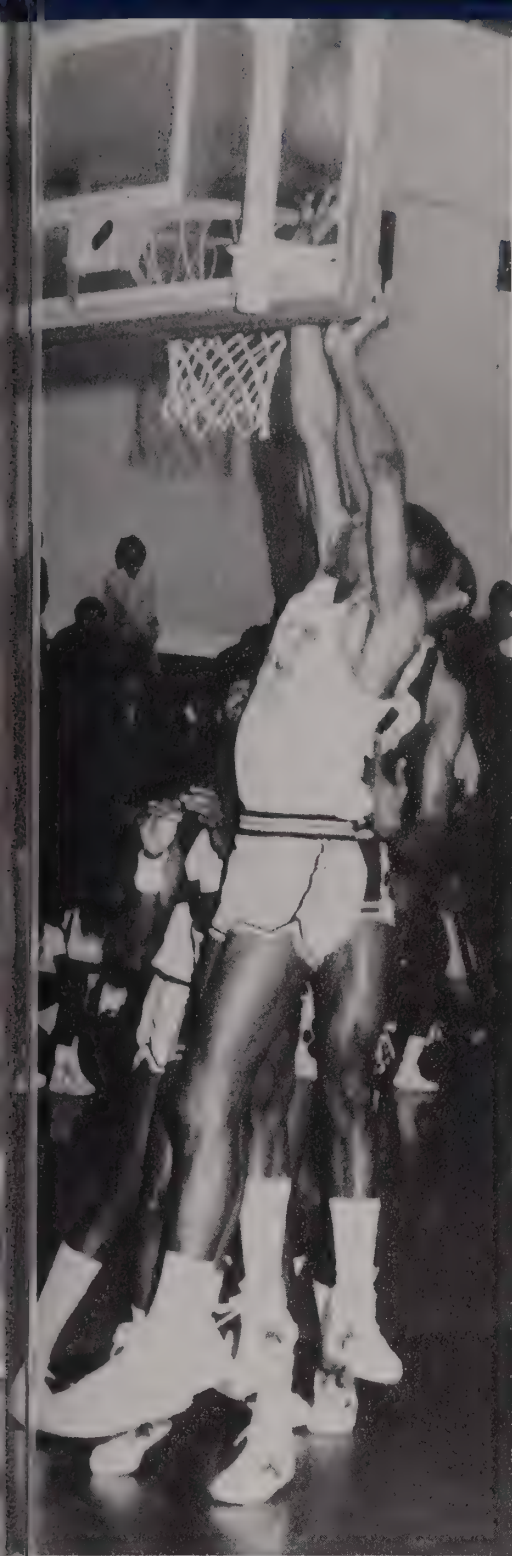

The Warriors fielded a group of "very good players," according to Coach Ben Rogers. All of MGC's games were close. A 14-point loss late in the season was one of the largest point differentials of the season.

For their efforts, the Warriors boasted two players with outstanding state awards. Sherman Rowe, a guard, was named to the *GJCAA JUCO All-Region 17 Team*. He also received an *All-Region 17 All-Tournament* ranking. Earlier in the season, he was named the *Atlanta Tip-off Club JUCO player of the month for January*.

Julian Hall, a center, also received the *All-Region 17 All-Tournament Team* honors.

The baseball Warriors of Middle Georgia College finished their regular season as *South Georgia Champions*. They went on to take the *Region 17 title* and then the *southeastern championships*. And, for the fifth time in six years, the Warriors were on their way to the *National Junior College Athletic Association JUCO World Series*.

At the end of the Southeastern District conference playoffs, MGC held a record of 42-6 for the season.

They started their quest for the national title ranked number two in the nation — having placed second in 1983. During the season, they were ranked as low as seventh. Week by week, the MGC squad notched their way up to number three.

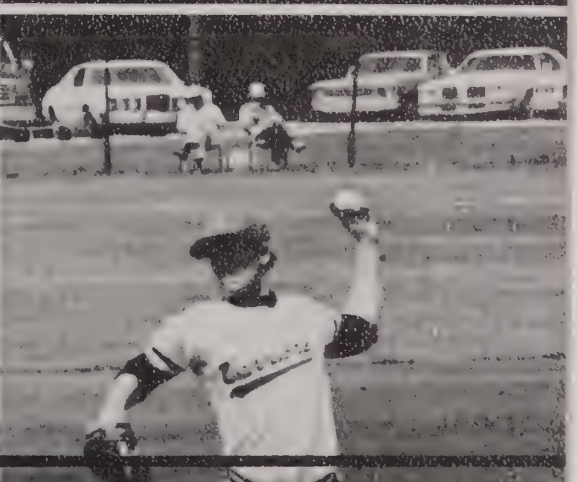

In the Region 17 tournament, Jim Leyritz, Larry Lyons, David Smyth, and Eric Tutt received *All-Tournament* honors. Mike Fitzgerald established a new school homerun record with 17, and he was named *tournament MVP*.

In the southeastern tournament play, Shawn Hillegas, Leyritz, Donn Perno, Smyth, and Tutt received *All-Tournament* honors. Greg Johnson was the *SE tournament MVP*.

The lady netters of MGC did something in 1984 that no other women's team at MGC had ever done — *they went to the national JUCO women's tennis tournament.*

In regular-season action, the Lady Warriors were 13-3. They captured the Klubhaus-Mariner Classic Invitational Tournament title at Brunswick. Five of the players went on to the regionals.

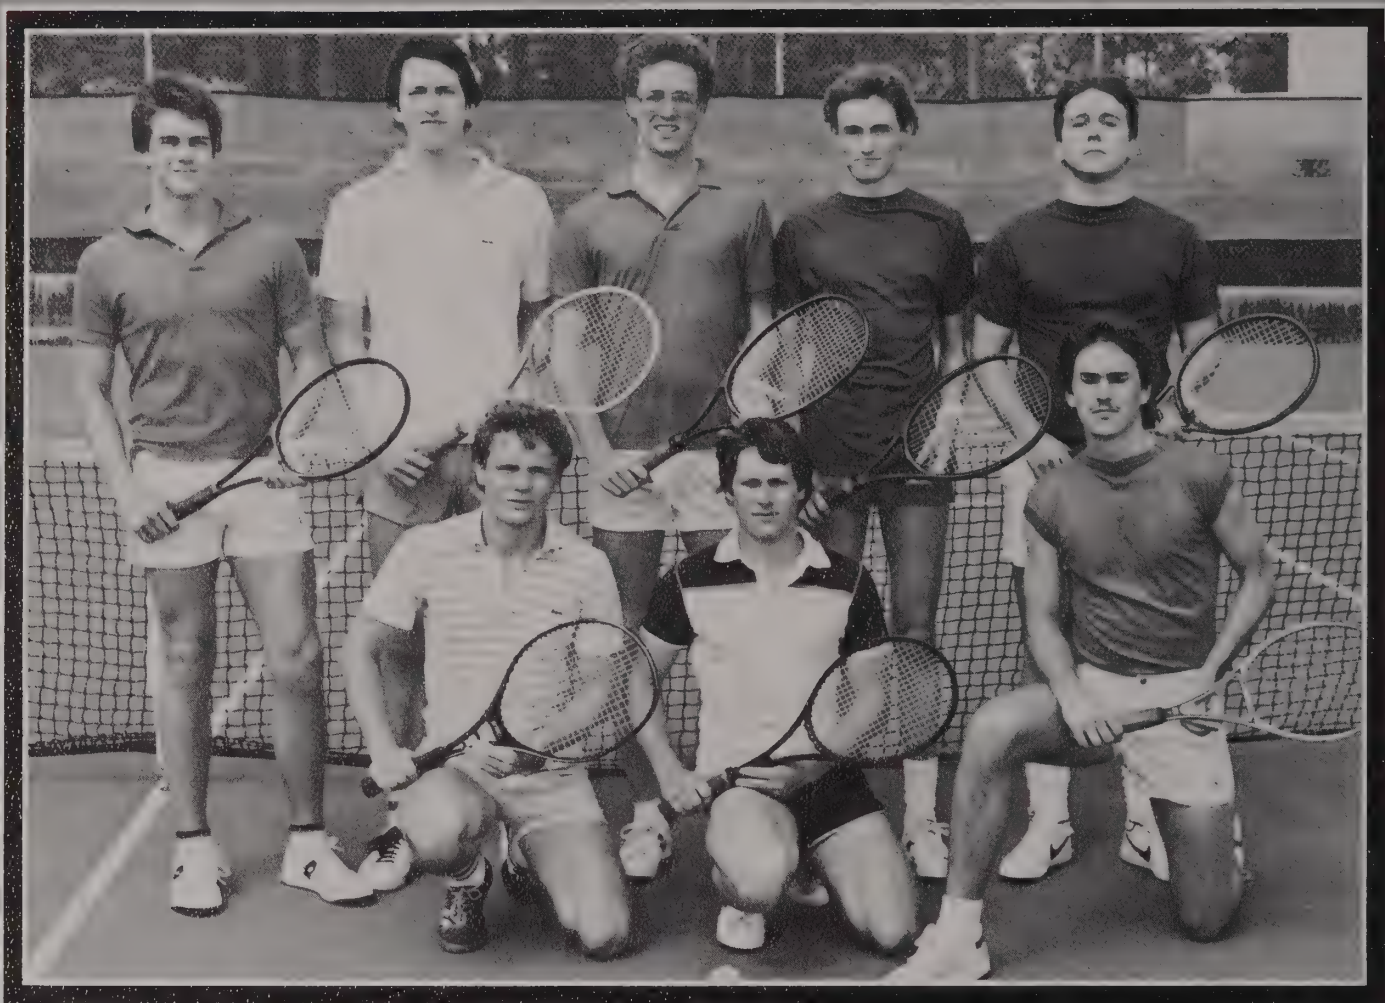

In the regionals, MGC took second place, with Julie Batchelor and Linzi Appleby, the number-one seed, taking top honors. Karen Lord and Sherrie Hobbs placed second in the number-three seed.

The Lady Warriors made a good showing in the national, and the eventual outcome was 19th place for the women of MGC.

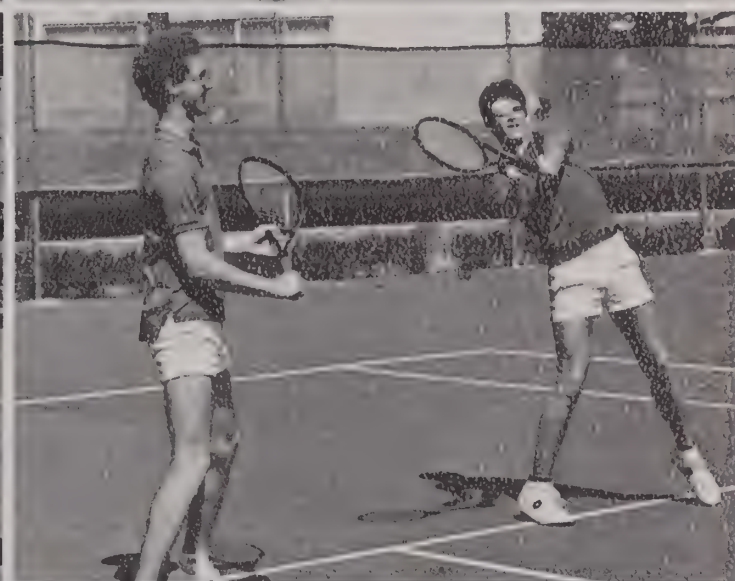

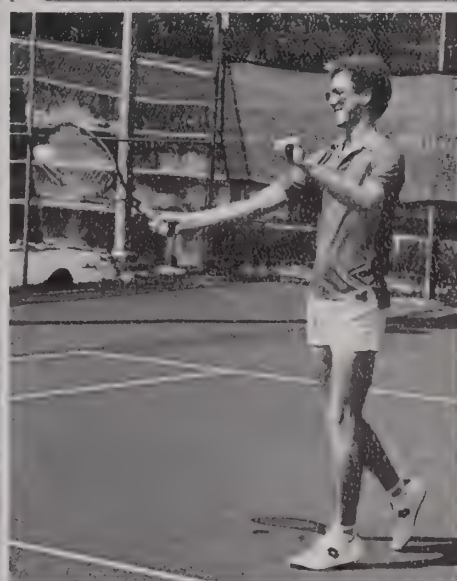

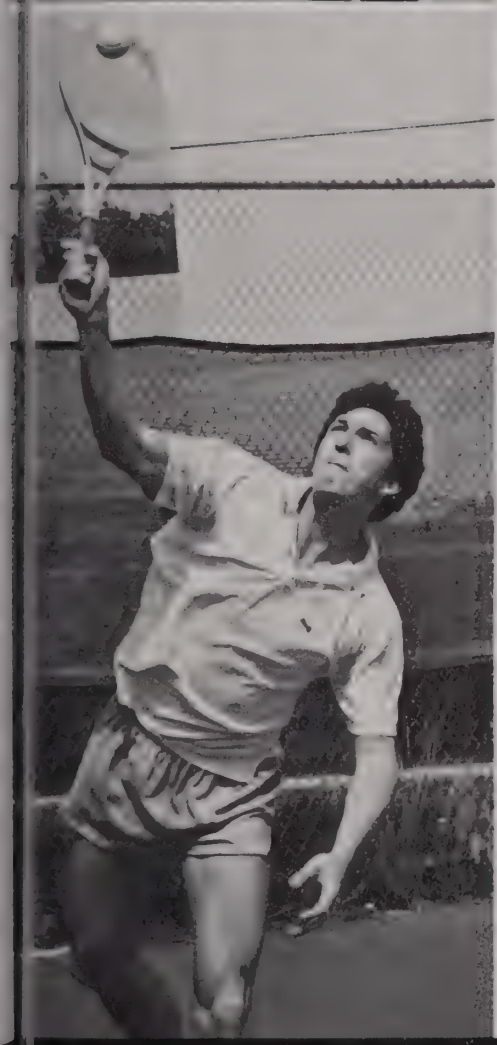

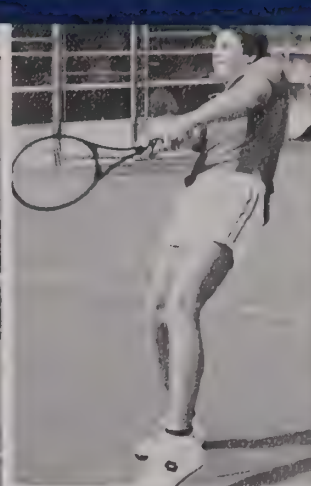

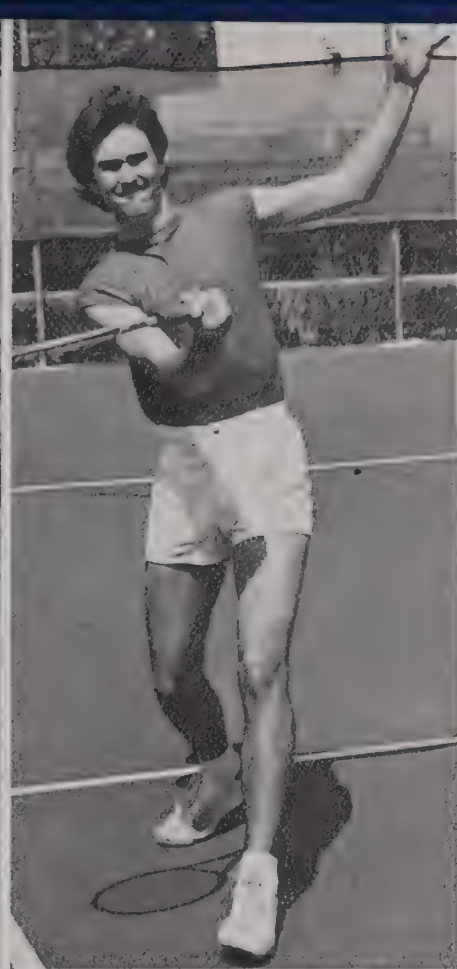

Sports

Men's Tennis

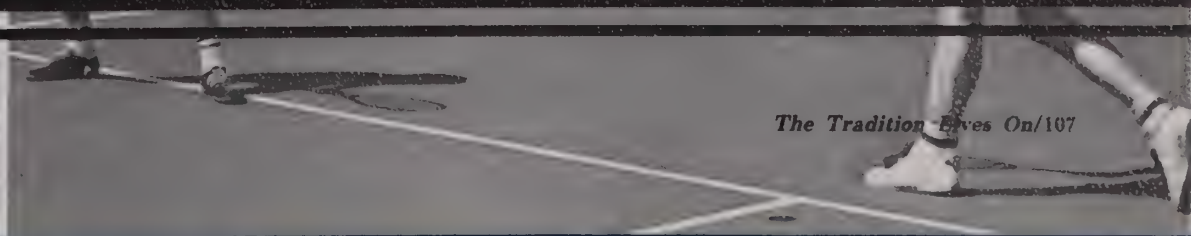

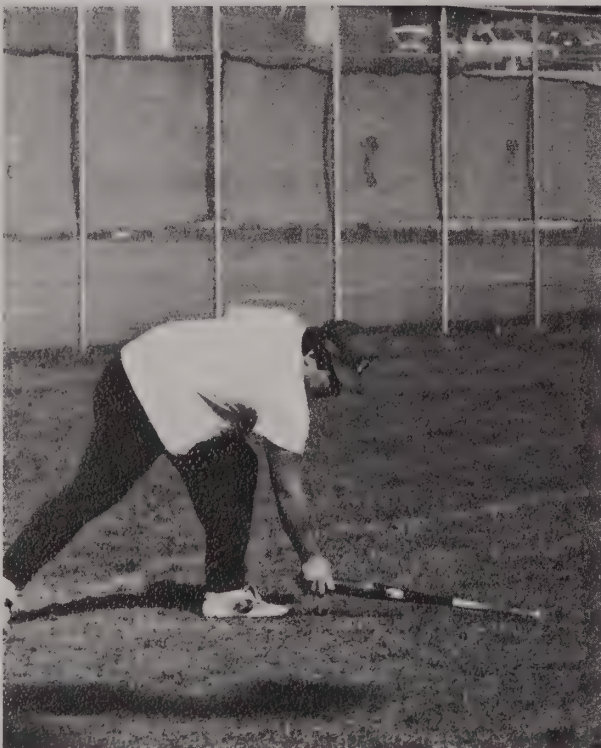

(Front, L to R) Bjorn Bjorvatn, Robbie Weaver, Wally Bradley, (rear) Kirby Childers, Tim Kelley, Norman Parker, James Cooper, Rod Lamberth, and (not shown) Ricky Edwards, and Coach Carl McDonald.

The Warrior Men's Tennis Team finished the season with a 9-3 record in the conference. At the state tournament, the team finished in a tie for fourth place. Robbie Weaver, the team's captain and number-one seed, was the only returning sophomore for the season. The freshmen finished their first Warrior season strong and should bring experience and depth to the 1985 team.

Sports

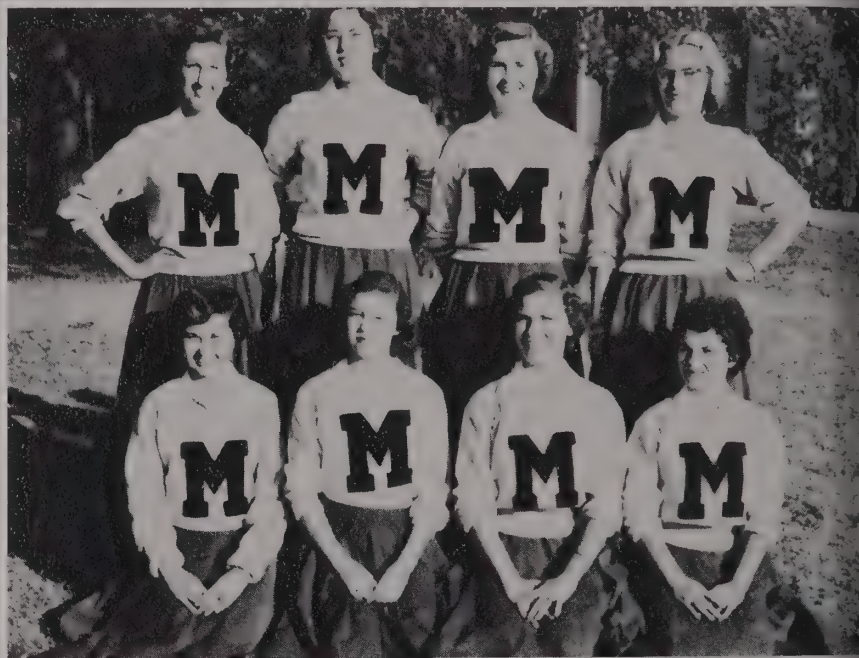

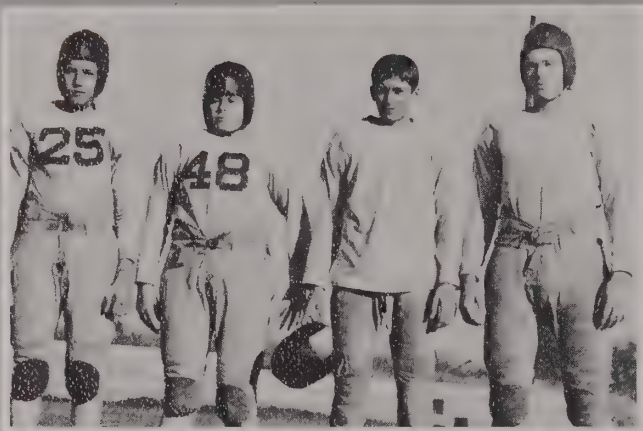

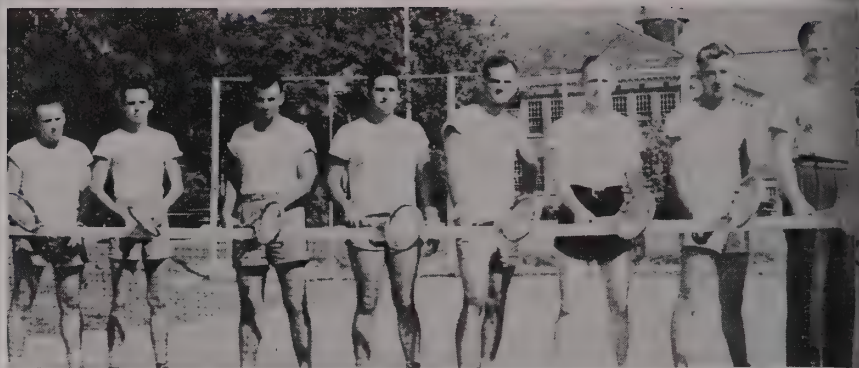

Intramurals

Students interested in softball, football, or basketball competed in intramurals this year at MGC. Intramurals offer students a break from studying, and give students an opportunity to compete with their classmates in sports.

Sports

Sports has been an important part of Middle Georgia College and its forerunner institutions, since the very beginning.

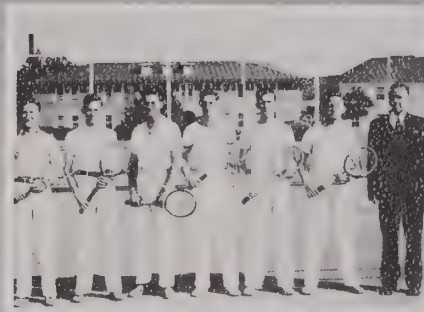

Early catalogs boasted photos of winning sports team and the records of the participants.

Throughout the years, MGC has competed in a variety of sports. From football to track to tennis and golf, MGC has been a force to be contended with in junior-college sports.

MGC was the last junior college in Georgia to drop its football program. In the mid-1950's, the program was scrapped because there simply was no competition close by. The remains of the football bleachers are still around the intramural fields.

Until the early 1960's, MGC's mascot was the Wolverines. At that time mascot was changed to the Warriors.

Of late, MGC has become a powerhouse in NJCAA baseball with three national championship teams, a second-place finish, and a third-place finish in eight seasons.

Warriors Finish 4th

The Warriors of Middle Georgia traveled to the national JUCO World Series in Grand Junction, Colorado, for the fifth time in six years in 1984. For their efforts, the Warriors brought home the fourth place national trophy.

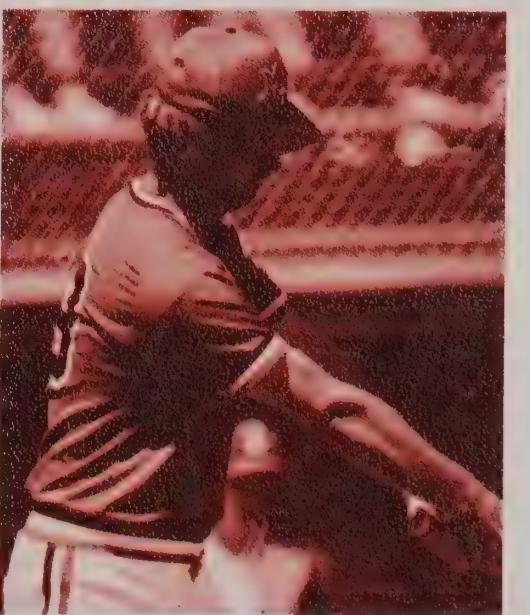

MGC took Bellview of Illinois, 7-0 in round one of the tournament. The Gators of San Jacinto (Texas) sent the Warriors to the losers bracket in round two with a 5-1 loss. The Seminole Trojans of Oklahoma packed their bags at the end of round three after an MGC victory of 16-5. The Artichokes of Scottsdale, Arizona, went home after a Warrior pouncing 21-5 in round four. But the Warriors met their match in round five as the Eagles of Southern Idaho sent MGC to the showers, 14-10.

The Warriors finished the season 45-8. They lead most of the JUCO tournament in batting and in homeruns. The Idaho team took the crown in round seven.

Mike Fitzgerald, Joe Datin, Jim Leyritz, Eric Tutt, and Shawn Hillegas were all named to the JUCO All-Tournament team for 1984.

Commencement

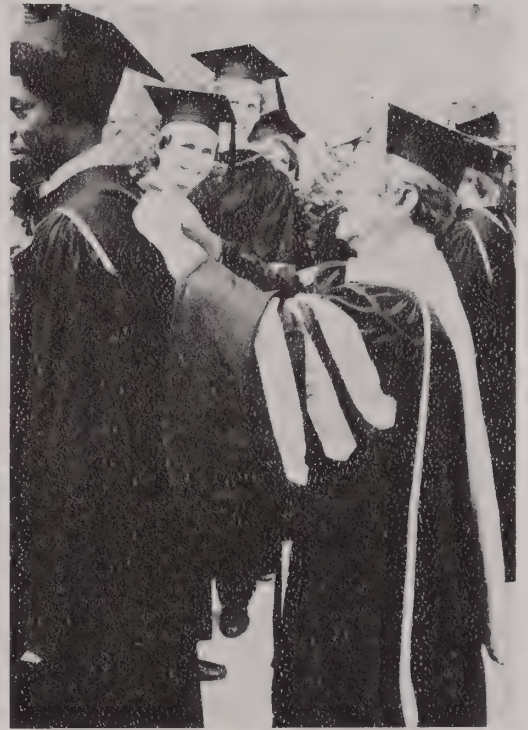

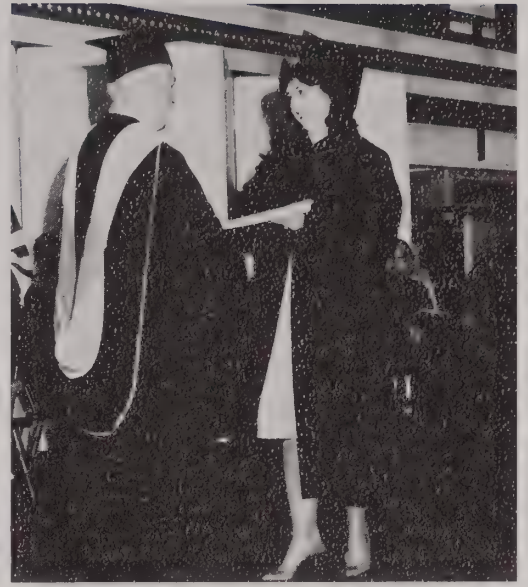

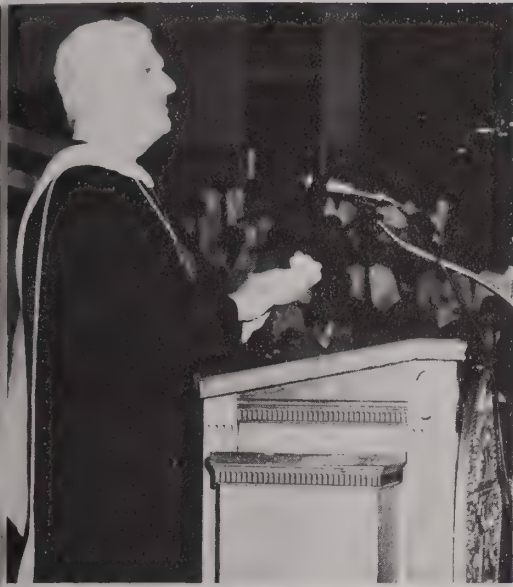

Commencement is always a time of remembering the good times and the bad times.

For over 240 members of the Class of 1984, Commencement 1984 came on June 8.

Dean Joseph Vidosic, *Dean Emeritus of Administration at MGC*, was the guest speaker. He related his heritage as a foreigner in the United States, and he charged the graduating class to do their very best for themselves and for MGC.

Degrees in Arts, Sciences, Business Administration, and Nursing, and certificates in one-year programs were awarded to the graduating class of 1984.

As I look back on this past year, I realize that this is not only an ending for me but also a beginning for others.

My years at Middle Georgia College have been memorable ones. I have met so many people

who have touched my life in such a special way - people who have given of themselves, to their friends, studies, and our school.

As well as the students here at MGC, I have come to know and love the special people who work for the college. Whether it be the administration, faculty, or staff, each person has had a part in my education.

One such person that has meant more to me than he will ever know this year is Ken Joyner, my yearbook advisor. Ken has devoted so much of his time and effort to make our publication work. He has worked late hours, redone work that just was not quite right, and still had time to be a friend to all of the people he works with. Thanks, Ken, for everything.

Another such person is George Hinton. Mr. Hinton stays in the background most of the time, but it's always certain that he is there overseeing and supporting everything we do. Thanks a lot!

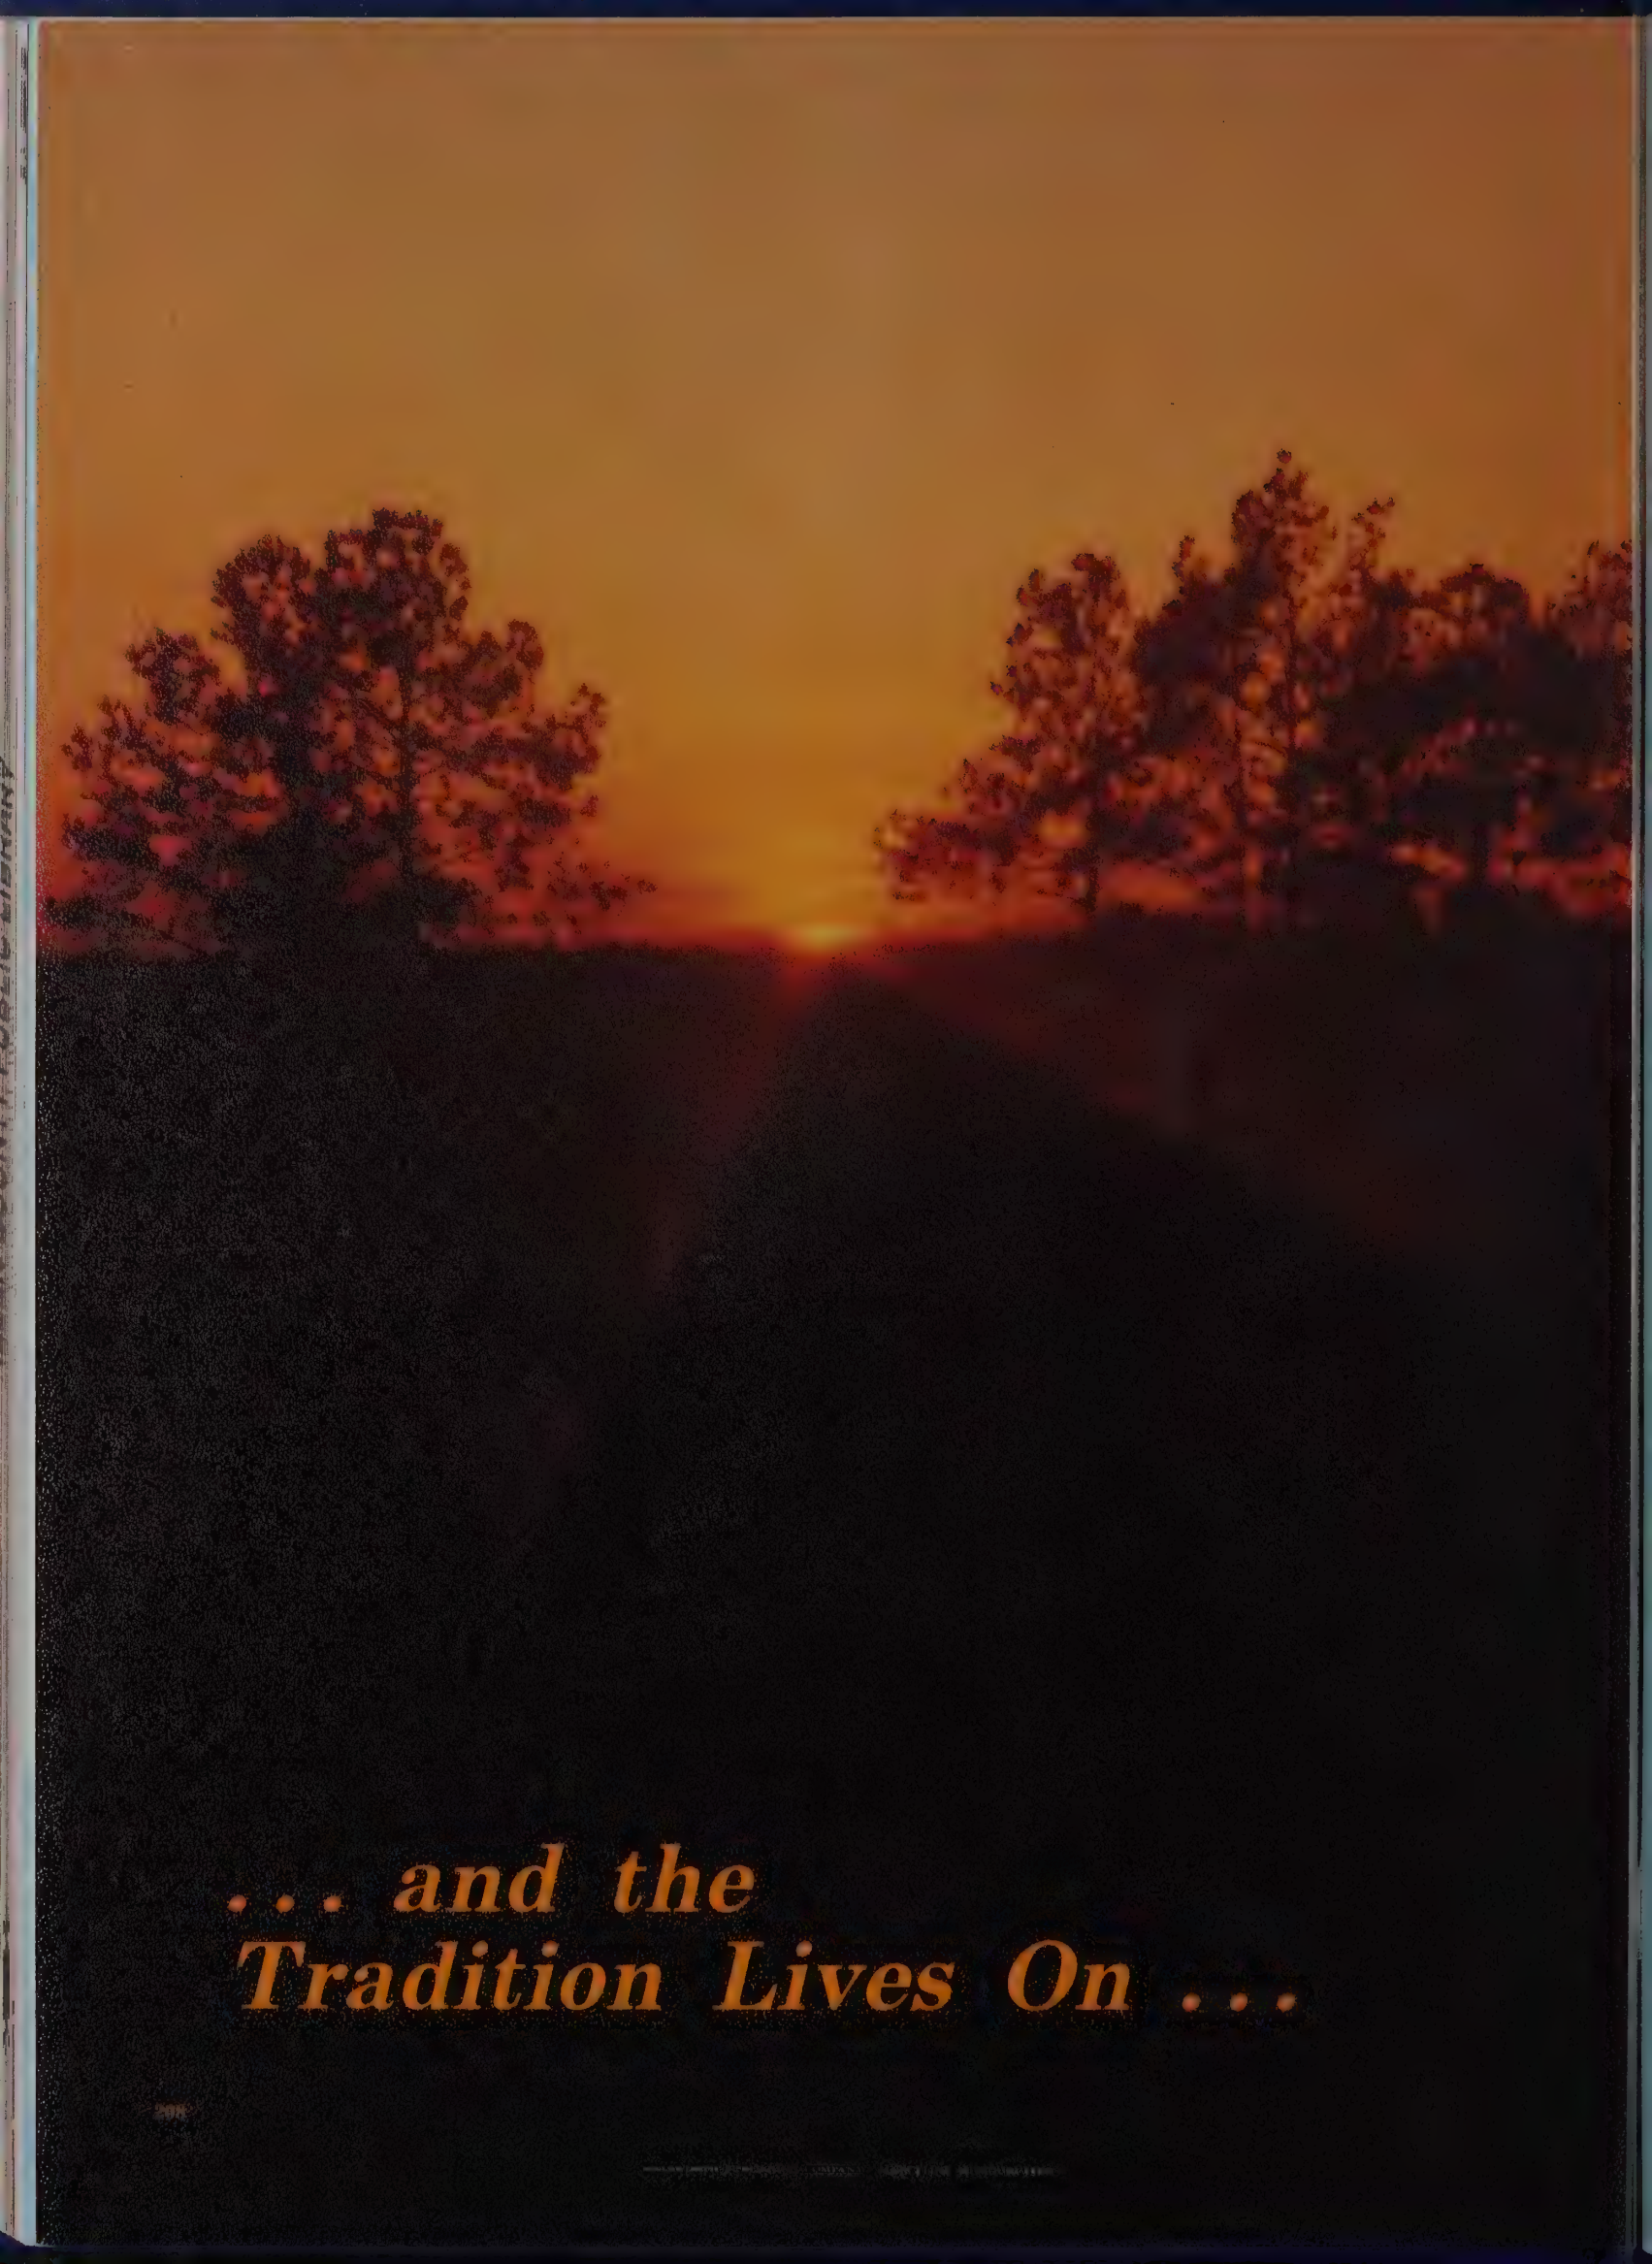

Special thanks go to my staff, without them my job would have been close to impossible. Thanks Renae, Karen, Lou, Kerry, Brenda, Jerrell, Bill, Rhonda and Raticia for helping me to make this the best book ever.

With the closing of this book comes the closing of a hundred years of tradition, but I feel certain that THE TRADITION WILL LIVE ON.

Hilltopper

A photograph of a sunset or sunrise over a dark field with silhouetted trees. The sky is a warm, orange-yellow color, and the sun is visible as a bright spot on the horizon. The trees are dark and silhouetted against the bright sky. The foreground is a dark, flat field.
